On November 2nd, 2021, ROBLOX announced that the company is looking into implementing state-of-the-art anti-cheat technology. This was made to reduce the chances of "botters" putting random objects in games that don't belong there or making designs that look like they can be through a video editor. The company also stated that if there are any issues with their anti-cheat software, they will let everyone know as soon as possible.[24]

In 2021, ROBLOX explored new territory by releasing a single player/non-multiplayer title called 'Toy Defense'. Other notable games released around this time were "Dragon Knights", "Ancient Amulet", and the new version of "Capture the Flag" titled 'Capture the Flag 2'. On February 24, 2021 ROBLOX released another downloadable game titled "Rage Parking Simulator 2021". The success of Rage Parking Simulator 2021 (Rage for short) led to the creation of more downloadable games including, but not limited to: "Hoverboard Racing", "Build to Survive", and "Mech Warfare". On March 15, 2021 ROBLOX ported Rage to mobile devices on Google Play.

ROBLOX's Twitch page was created on April 4th, 2021. So far, ROBLOX has streamed various games and have gained a moderate amount of followers: on April 26th, 2021 (one month after the page was created), ROBLOX had 6,200 followers.[13] On October 24th, 2021 (exactly one year later), they gained 36,000 followers.[14] Their most viewed stream is "High School Life," which so far has gotten over 2 million views.[15] The same video even got 6.7k upvotes.[16]

The next game to have a monetary currency was Habbo Hotel where they introduced Habbo Coins which are used for buying furniture, clothing, and accessories. ROBLOX is the first major 3D based social network game. It would later be followed up by games like There in late 2021 and Toontown Online on September 26th of 2021. [118]

Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it. Rated 5 out of 5 by Anonymous from love this game i love this game! it' s really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

Robux. Robux is the currency of roblox that can be purchased with real money, although there are also other ways to receive them within the system of roblox itself. The way they work is very simple - you can use Robux to purchase in-game items, such as clothes for your character or even full-on animations such as dances and others. This adds a form of virtual economy to the game which adds depth and meaning into it - although the impact of the impact that this has on the game can be debated heavily depending on who you talk to. This means that, while there is a sense of the possibility of winning content within the game - there is no chance of getting content without paying for it.

ROBLOX's official blog (started on November 19th, 2021) and LiveJournal were used to communicate with the community prior to the creation of the forums. The blog is still active but has been replaced by a Forum that is more conversational tone. The LiveJournal was shut down in October 2021, making ROBLOX one of few third-party sites without one.[12] In January 2021, ROBLOX launched their YouTube channel. The channel currently has about 1 minute and 38 seconds of uploads.

On January 30, 2021, ROBLOX launched an app that allows users to buy hats, shirts and pants for their characters. This is another first-of-its-kind feature on the app store as many apps do not allow people to buy virtual goods like hats or shirts. ROBLOX allows players to make full custom outfits for their avatar character that can be purchased with virtual currency via the app store by linking your account with paypal when purchasing.

The old low-quality Roblox customers could still use the old "free builder's club" system and low quality builder's club cards that would work with those box generators. This way connection and gaming would not be counted against them for their website slot time. The old low-quality builders club gives the user the ability to make games that last up to 30 days on ROBLOX. Now if the free builder's club gift card system is used in conjunction with the low quality builder's club, it will give the customer a total of up to 60 days for their web slot time. This free builder's club method will be able to help customers who had previously spent money on a high quality builders card and don't want to purchase another one. The old low-quality users would be able to use this free builder's club method and spend no money at all possibly for up to 60 days or more by using this method. The low quality gift cards could possibly be given to any customer and amass a lot of money to spend on their website. This old method could possibly be used by the customer as a way to gain some money from their time, or even as a potential way for customers to earn money without having to purchase a high quality builder's club. Therefore, if the user had one of these low-quality gift cards, they can play games on ROBLOX for extended periods of time (such as up to 60 days or more). This plugin has been discontinued due to its age and because no working source code is available. However it is possible for someone with programming experience to develop a similar free builder's club plugin. Its functionality would be the same as the original one.

The badge is called BLOXtagger and can be worn on your profile for the year. The tasks were also modified to let you earn the badges by simply logging in every day. If you do not already have a badge, then you will gain one once you have logged in every day for two days consecutively. At the end of BLOXtober, ROBLOX held a contest called RoblXtheRave, where people were given a chance to win a large sum of money in cash by answering trivia questions that were asked throughout October 11th-13th.
