I know I made this review long but please read every word because I put a lot of effort into making this review good and hopefully it can help someone. Thank you for reading and keep in mind that this is not my full opinion on Roblox it is just a suggestion to help improve the game for everyone who plays.

The chart below contains the top 5 accounts with the most amount of plays on ROBLOX in that year (as of December 31st). This chart is directly taken from ROBLOX's blog post for each respective year. ROBLOX games have made the news many times in the past. Below is a short list of some of them. Prior to 2021-2021, ROBLOX game developers were responsible for any known instances of hacking that happened in ROBLOX. There were also older instances where hackers had not yet discovered the community, but eventually did so, and started making exploits on their games that were very popular (such as "Hacker Escape"). Hackers also used an exploit to gain access to admin privileges on a game called The War Factory, which had over 500,000 concurrent players at once. When this was discovered, the hacker was immediately taken down by ROBLOX's staff.

Another disadvantage is that whenever a user updates their account, they are required to update the free robux script as well. Since it is hard for you to keep track of your own updates, you will need someone else to help you do this especially if you are constantly updating your posts several times a day.

I personally think that the vast majority of Roblox games are for children. There is only a few games that are suitable for adults which were developed in recent years, but there are also a large number of games that have been around for years, and it is still very popular. I don't think there is anyone who has played this game since they were a child, so it's not like people will stop playing because they're unhappy with the newer games.

On December 21st, 2021, the game "Infinity: The Quest to the End of the Universe" was released by a company called "Awaited Studios". After this game was released, it came to light that much of its code was being used in ROBLOX's main source code.

On May 31st, 2021, ROBLOX announced that they would be adding the ability to purchase ROBLOX Points via PayPal, which will allow for them to offer virtual currency for in-game items and ROBUX purchases.[17] The announcement was made on the official blog.

On July 27th, 2021, ROBLOX announced that they were going to be having an "open beta" of a new in-game currency system that would allow users to buy and sell virtual currency. This feature was added to the site in 2021, but this was the first time that it was open to everyone. This new system came with a "Queueing" system similar to YouTube's order form, which many game creators saw as useful in saving time from waiting for transactions manually. Users can still trade with each other if they wish to do so.[23]
