On December 20th, 2021, ROBLOX announced that they would be adding system tokens to enable their users to "pre-order" an item before it is put on sale. This way users can give feedback and ROBLOX could make changes if necessary.[26]. In late 2021 when the game was seemingly more popular than ever, numerous reports were made about a player called "unikraken," as well as his group of friends he allowed in his places. This user was not banned from the site for a long time, which attracted hordes of people to his server. The servers would become infested with bots, cheats, hackers and other fraudulent activities that it slowed the game for everyone. These servers have since been taken down and ROBLOX has removed as much of these malicious players' information as they could.[27]

I love roblox because it is filled with amazing games. Also, I think it needs more easy to download games and more new games. There are lots of great players that are making great games but they feel unappreciated because if there is a new update some other player comes onto their game and steals their ideas so that doesn't make them happy. I also think that there should be easier ways for players to get to private chat or opt out of chat but not everyone would like being in a public chat room which would only make them mad. I like being in a private chat room with my friends because no one else can get into the room and report us for saying bad words.

To create a new game, players are introduced to the Roblox engine or "R-Engine". This is the application developers use to create their own games. All of the features in Roblox are available to be utilized by developers.

Roblox Youtube Channel (YouTube) - This is the official Roblox Youtube Channel. There are videos about game development, tutorials for specific features of the game, and more. The best part about this channel is that they post content from all around Roblox. You'll be able to find fun videos from popular games like Apocalypse Rising or Survive The Disasters as well as find awesome gameplay videos created by people who have only been in the Roblox community for a short time.

The second way is by buying them from any of the websites which offer them as in-game purchases with real money like Amazon or iTunes cards. These cards can also be bought for cheaper rates at places like GameStop or Walmart.

ROBLOX makes it easy for users to participate in local multiplayer games. For example, a user can connect three iPads together and play the game Invader ZIM on them. There are also games where players connect their computers through WiFi and play online games with one another, such as Minecraft. You can also use RoomBuddy to track where your room members are located, so you don't have to

worry about them leaving your house unsupervised.

On December 15th, 2021, ROBLOX announced the end of the open beta for their new trading system. The company removed the ability to trade in-game currency among users and limited users' ability to purchase system currency from outside sources while adding even more security features by requiring cards or other forms of identification before buying virtual currency. The reason for the change was to prevent users from spending too much virtual currency on outside purchases of no value to the user. The system was a success, reducing the rate of fraud.[25]
