There are two types of premium features: content premium and currency premium. Content Premiums typically involves a single item or feature that changes the game mechanic, such as more life points and/or more room to build, or increased maximum health for monsters. Currency Premiums usually involve the addition of new items to the game that are only available through favorable conditions

(for example, allowing players to purchase a specific item for Robux). Some Currency Premiums can also require membership in Builders Club.

In February 2021, En Masse Entertainment announced plans to merge servers for "TERA" and also announced additional details about Season 2 of "TERA: Rising". The merger began on March 11 with servers down for two hours beginning at 5 am Pacific Time (8:00 UTC). This was followed by two more short downtimes on March 17 and March 26 before all character transfers were completed. The merger of servers resulted in

the creation of a single player vs. player server and a single role-playing server. The role-playing server was created to stop the underpopulated game world from splitting into two more servers.[62]

These missions are very fun to complete and they can be quite challenging as well. You have to complete a certain amount of these missions in a specific time frame. You can also do your friends' tasks and earn rewards for it. The task will reward you with different amounts of robux. Generally, you will earn around 50-100 Robux for completing a task which is equivalent to 3 testings on Roblox which otherwise costs 1 Robux each time. So it is obvious that you should complete as many tasks as possible.
